Re: GoldenTree Asset Management LP v. Teamsters Pension Trust Fund  
of Philadelphia & Vicinity  
Case No. 14-CV-8951

Dear Judge McMahon:

We are counsel of record for Defendant Teamsters Pension Trust Fund of Philadelphia & Vicinity and respectfully submit this letter on its behalf.

As Your Honor may recall, in our letter dated March 25, 2015, we requested a pre-motion conference to address: (1) a contemplated motion to compel GTAM to produce its documents on a more accelerated schedule; and (2) a contemplated motion to extend all remaining deadlines in the Civil Case Management Plan dated December 12, 2014 (Doc. 11) by 90 days. (Doc. 20).

On April 2, 2015, the Court entered an Order of Reference with regard to discovery disputes. (Doc. 27).

Magistrate Judge Henry B. Pitman's chambers has stated that the Court's Order of Reference did not refer scheduling issues (or the motion to extend deadlines). Accordingly, at the suggestion of Judge Pitman's law clerk, we write to respectfully request clarification as to whether Your Honor will address scheduling issues (in which case the Fund should file a motion for extension of deadlines) or, alternatively, whether Your Honor will issue an Order of Reference explicitly referring scheduling issues (including the motion to extend deadlines) to Judge Pitman for resolution.

Counsel for Plaintiff has reviewed this letter and has no objection.
